### About Me

- Enthusiastic and innovative Full Stack Web Developer with a robust foundation in HTML, CSS, Bootstrap, JavaScript, and Python. Eager to embark on a dynamic web development career, I am committed to staying abreast of emerging technologies to deliver cutting-edge solutions.
- My expertise lies in crafting user-friendly, responsive web applications with a meticulous eye for design. Collaborative by nature, I bring proven skills in teamwork, quick adaptability, and a fresh perspective to every project.
- Beyond the realm of coding, I am a passionate Advanced Yoga Practitioner and Teacher. I can contribute to team productivity by integrating yoga practices that foster mental and physical well-being, creating a healthier and more productive work environment.
- Notably, my proficiency extends to organizing information with precision using Notion. This skill ensures a structured and efficient approach to project coordination, adding a valuable layer to my technical toolkit.
- Excited to contribute technical skills, dedication, holistic well-being, and organizational prowess to a forward-thinking development team.

## Digital Marketer

### About Me

I am a dedicated and results-oriented professional with a passion for digital marketing, business development, and promoting employee well-being. With a certification in Digital Marketing from Google Garage and hands-on experience as a Business Development Executive and Telesales Executive, I possess a strong foundation in marketing strategies and customer engagement tactics. My proactive approach, combined with excellent communication skills, allows me to effectively convey the value proposition of products and services to potential customers. In addition to my expertise in digital marketing, I am deeply committed to promoting a culture of health and wellness within the workplace. I believe that integrating my knowledge of health and fitness can significantly enhance the productivity and overall well-being of employees. By implementing wellness initiatives and fostering a supportive environment, I aim to contribute to the success and growth of forward-thinking organizations while prioritizing the health and happiness of their workforce. I thrive in dynamic environments and am eager to leverage my skills and expertise to drive impactful campaigns and create positive change within the company culture.
